M-Series

Multiclean®

Today's Technology, for Everyone

Evolve your toilet to the next level

Enhance your toilet's cleaning capabilities by transforming it into a shower toilet or harness the power of technology by turning it into a smart toilet.

Enter our Multiclean® range: designed to fit into most of our existing toilets with remarkable sleekness.

Multiclean® is Roca's best bet to make the smart toilet experience more accessible with shower seats.

This hybrid solution can be installed in most of Roca's regular toilets transforming their functionalities distinguishing them from a regular toilet. After all, enhancing a toilet should not mean sacrificing design.

With a focus on aesthetics and user requirements, the new Multiclean® M Series is a way to make shower toilets or smart toilets available to even more households whatever their needs or lifestyle.

With the Multiclean® M Series your toilet can become something greater.

Multiclean® M4

The connected toilet experience

The Multiclean® M4 is what you need to turn your regular WC into a fully fledged smart toilet with IoT connectivity through Roca Connect and the mobile app. Enjoy a totally configurable smart toilet with:

The ultimate drying technology: Coanda Effect.

Front and rear wash self cleaning nozzle with UV light.

A better cleaning result for rear wash with Airtech technology mixing air in the water.

Usage data and consumption insights on your phone with Roca Connect.

A dedicated app to control every aspect of the experience.

Heated seat versions for the most comfortable experience.

Soft close of cover and seat to avoid harm and noise.

Quick release lid for easy cleaning.

Imagine the detail that changes it all. The idea that turns the everyday into something else.

A sleek addition that multiplies possibilities. A rich layer of technology and design to wash, dry, and control it all. Total simplicity for total control over washing and drying.

Multiclean® M-Series

Multiclean® M3

Cleaning in total comfort

Upgrade and enhance your toilet with the effectiveness of two nozzles (rear and front), each with warm water at 37°C, a quick release seat and cover for easy cleaning, and soft close. A simple and seamless way to put comfort within your reach.

A simple installation with a sleek design. Multiclean® M3 is the plausible change: the opportunity to turn a regular toilet into a hot water shower toilet and bring a new experience of comfort and hygiene to your bathroom.

Multiclean® M3 / The Gap Round wall hung toilet / PL7 dual flash operating plate in matt white / Hotels Round toilet roll holder in chrome

Multiclean® M1 ⚡⃠

Create a shower toilet with a simple installation

Turn your existing WC into a shower toilet with rear and front washing features with two different nozzles. A durable and affordable installation that requires no power source, with quick release seat and cover and soft close.

Multiclean® M1

## Our simplest solution comes with the simplest installation.

The Multiclean® M1 can become the hassle-free shower toilet for every household.
